WORK EXPERIENCE

Front-End Developer Student   **Remote**
Home   2019 – Current

- Studied Front-End Development courses online at Skillcrush, with courses in HTML5, CSS3, JavaScript, and React.

- Building projects through Skillcrush, Free Code Camp, and FrontEnd Mentor to further my knowledge and experience.

IT Project Manager   **Lincoln, NE**
NTT Data, Inc.   2016 – 2019

- Managed 20+ projects across multiple clients while collaborating with multiple teams to deliver projects on time.

- Monitored and controlled project schedules to complete projects quickly while reducing project hours by 2%.

- Optimized my task-duration calculation process to reduce schedule creation time by ⅓.

Implementation Specialist   **Lincoln, NE**
Nelnet, Inc.   2014 – 2015

- Managed 10+ software development projects simultaneously for multiple clients, ensuring successful project completion.

- Collaborated with 5 different teams to keep projects on time and within budget.
